

# GRADUATE CERTIFICATE IN TRAUMA AND RECOVERY

---

Graduate students are eligible to apply for the Graduate-level Certificate in Trauma and Recovery. Requirements are outlined below. This curriculum emphasizes the need for helping professionals to appropriately address people and practices with a trauma-informed lens. Exposure to trauma is common and our care systems must account for this. All courses are offered online to meet the needs of working students. Part-time and full-time scheduling options are available.

## Certificate Requirements

| Code                                 | Title                                  | Hours     |
|--------------------------------------|--|-----------|
| <b>Required Courses</b> <sup>1</sup> |  |           |
