

# INTERDISCIPLINARY MINORS AND CERTIFICATES

---

These programs combine existing, regularly taught classes from different disciplines into a coherent grouping focused on a relevant and innovative theme. These programs will provide students more opportunities to complete a minor or certificate that complements their major area of study; advances their personal, professional, and civic goals; and improves career readiness and marketability in a world where job descriptions will continue to change frequently.

- African American and African Diaspora Studies, Minor (<https://catalog.washburn.edu/undergraduate/college-arts-sciences/interdisciplinary/african-american-african-diaspora-studies/>)
