HEALTH AND FITNESS PROMOTION, BA

The Bachelor of Arts in Kinesiology in Health and Fitness Promotion is designed for students desiring to pursue careers in health promotion, wellness and/or fitness-related settings. Areas such as exercise and sports performance, personal fitness training, corporate wellness, recreation/leisure settings, public health management and profit/non-profit health agencies are some examples. In addition, students could pursue advanced degrees in other health and fitness-related professions but may need to complete additional course work to meet prerequisite requirements for graduate school.

Students pursing this degree have the option of gaining the following certifications through elective class completions:

- FMS Functional Movement Screening Level 1 Certification
- · NASM Personal Training Certification

Elective coursework can be used to gain a discipline specific minor or an interdisciplinary minors. Minors of interest to many Kinesiology majors include:

- Sport and Health Psychology (https://catalog.washburn.edu/ undergraduate/college-arts-sciences/interdisciplinary/sport-healthpsychology-minor/)
- Sports and Media (https://catalog.washburn.edu/undergraduate/ college-arts-sciences/interdisciplinary/sports-media-minor/)
- Mass Media (https://catalog.washburn.edu/undergraduate/collegearts-sciences/mass-media/mass-media-minor/)
- Communication Studies (https://catalog.washburn.edu/ undergraduate/college-arts-sciences/communication/ communication-studies-minor/)

Degree Requirements

In addition to the requirements stated below, students must complete 34-35 hours of General Education (https://catalog.washburn.edu/undergraduate/programs-degrees-graduation-requirements/general-education-requirements/), all requirements for a Bachelor of Arts (https://catalog.washburn.edu/undergraduate/college-arts-sciences/degrees/bachelor-arts/) degree, and any additional hours needed to reach the minimum 120 credit hours required for graduation. Some of the courses below may also fulfill general education or other degree requirements. Current CPR/First Aid/AED Certification is required at time of graduation. Please see your advisor for more information.
