

# BCJ - LAW ENFORCEMENT EMPHASIS

The Law Enforcement major is designed to provide a balanced introduction to all aspects of the criminal justice process with particular emphasis on the theoretical and practical aspects of law enforcement. The program is interdisciplinary in content, utilizing courses in the social sciences as well as those more directly related to functions and programs in the criminal justice system. This program is designed for both personnel already employed in criminal justice and pre-service students interested in criminal justice careers.

## Additional Student Learning Outcomes

In addition to the core criminal justice program student learning outcomes, students who graduate with a law enforcement major are expected to be able to:

- Demonstrate the ability to critically evaluate the role and purpose of the law enforcement profession in contemporary American society.
- Identify and describe key historical developments in law enforcement in the United States and abroad.
- Explain how law enforcement function is related to the functions of the other branches of the criminal justice system.

## Degree Requirements

In addition to the requirements stated below, students must complete 34-35 hours of General Education (<https://catalog.washburn.edu/undergraduate/programs-degrees-graduation-requirements/general-education-requirements/>) and any additional hours needed to reach the minimum 120 credit hours required for graduation.
