

# HEALTH SERVICES ADMINISTRATION FOR FAMILY AND HUMAN SERVICES, MINOR

---

## Family Services Emphasis

Family and Human Services Bachelor degree students with an interest in health care may develop a specialization in health services by earning a Minor in Health Services Administration in the Allied Health Department by completing a set of five specific upper-division courses in the health services administration field. Declaration of BAS major in Family and Human Services (Family Services) and declaration of minor in the Bachelor of Health Science program are necessary before enrollment in Health Services courses.

## Admission Requirements for Minor in Health Services Administration

Interested students must apply for admission to the minor program through both their Family and Human Services Department advisor and the Bachelor of Health Science advisor. Admission to the minor program is available to students who have declared their Bachelor degree with a major in Family and Human Services. The requirements for acceptance into the minor program are junior standing, a cumulative GPA of 2.0, and a completion with a grade of "C," or better, of the following Family and Human Services courses (15 semester hours):
