

NON-PROFIT MANAGEMENT, CERTIFICATE

Move up in your career and make a difference in your community by earning a certificate in Non-Profit Management. Our program offers specialized training that prepares you to work as a leader in the non-profit sector. Graduates may find employment in a wide variety of non-profit organizations such as social welfare agencies, public charities, foundations, advocacy groups or health care entities. You also may choose to continue your education with a master's degree in fields such as public administration or social work. Managing a non-profit agency is challenging work, but the rewards are great when you provide important services to the community. Be part of a profession that focuses on vital issues and fosters hope for the future!

This program is an interdisciplinary certificate offered in collaboration with Washburn's Family and Human Services and Political Science departments.
