

REGISTRATION AND ENROLLMENT

Advance Registration

The University offers advance registration. Students who are currently enrolled will have the first opportunity to register for the following semester/summer term. The respective Registration Information Guide will have the advance registration dates, instructions, and regulations. Current students will be able to register during their classification schedule provided they have no holds.

Open Registration

Open registration is available to all currently enrolled Washburn students who did not advance register during their classification time frame, and to all new and former students who are eligible for admission and have completed the application or reapplication process. New and returning students will need to have obtained their WIN (Washburn Identification Number) and their MyWashburn Account information before they can register on the web. Specific dates will be in the Registration Information Guide for each semester and summer term.

Late Enrollment

Late enrollment is available for returning or admissible students who did not enroll before the first day of classes. Students may enroll online during the first week of class. During the second and third weeks of class, new enrollments and added courses will require permission of the instructor. No student may begin an enrollment schedule after the third week of semester classes. The summer session will have its own specific deadlines according to the length of session or class. See the respective semester Registration Information Guide (<https://www.washburn.edu/academics/course-schedule/>) for details.
