

COSMETOLOGY, AAS

The Cosmetology AAS degree provides students with the necessary knowledge and skills to work in the field of cosmetology. The program includes classroom and clinical instruction and 1,500 contact hours required by the Kansas Board of Cosmetology (KBOC). In addition to learning marketing and salon customer service skills, students will learn how to artistically integrate haircutting and hairstyling for all clientele types, manage hair color and permanent waving, and apply facials and skin care. This program will offer students preparation to test for the industry-recognized credentials listed below.

Program Information

- Program Start, technical coursework (semesters): August; January
- Industry-recognized credentials: KS Cosmetology License

Degree Requirements

In addition to the requirements stated below, students must complete all requirements for an Associate of Applied Science (<https://catalog.washburn.edu/washburn-institute-technology/programs-technical-certificates-graduation-requirements/aas-degrees/>) degree. Completion of the courses below will fulfill the general education requirements for the degree. Please see your advisor for more information.
