

GRAPHICS TECHNOLOGY, AAS

The Graphics Technology AAS degree provides an opportunity for students who have already earned a Cert C in this program to complete an additional 15 hours of general education coursework to earn an Associates degree.

Please note: The Graphics Technology Cert C is no longer offered as of Fall 2025. Students who have already earned the Cert C in this program area may complete the required general education courses and hours to earn the AAS degree.

Degree Requirements

In addition to the requirements stated below, students must complete all requirements for an Associate of Applied Science (<https://catalog.washburn.edu/washburn-institute-technology/programs-technical-certificates-graduation-requirements/aas-degrees/>) degree. Completion of the courses below will fulfill the general education requirements for the degree. Please see your advisor for more information.
