

SUPPORT SERVICES FOR STUDENTS WITH DISABILITIES

The Assistant Director of Student Accessibility Services works with students with documented disabilities to provide equal access to Washburn Tech programs and to coordinate entrance and exit testing for all students.

Washburn Tech provides technical education for high school and postsecondary students. Applicants who, with reasonable accommodations, can perform the essential functions of the occupation for which training is being sought, may request and be granted such reasonable accommodations assistance for the duration of their course. Reasonable accommodations may also be requested for assistance with the Admissions Test prior to enrollment. Applicants requesting accommodations should contact the Washburn Tech Assistant Director of Student Accessibility Services for appropriate referral.

The Assistant Director of Student Accessibility Services is responsible for assisting students with disabilities in arranging accommodations and for helping to identify resources on campus for students with disabilities. Qualified students with disabilities must register with the office to be eligible for services. The office MUST have current documentation on file in order to provide services. Accommodations, based on individual needs, may include such services as test readers and/or scribes, extended time for test taking, adaptive computer technology, or alternate media materials. Requests for accommodations should be submitted at least two months before services may begin; however, if you identify a need for an accommodation at any point during a semester, please contact the Assistant Director of Student Accommodation Services immediately. Students may contact the Assistant Director of Student Accessibility Services directly by phone at (785) 670-3364 or voluntarily identify themselves to the instructor for a referral.

Washburn Tech does not offer a specialized curriculum for students with disabilities. All academic, technical and conduct program standards must be met. Modifications or accommodations cannot fundamentally alter the essential nature of the program.

It is the policy of Washburn Tech to assure equal employment and educational opportunity to qualified individuals without regard to race, color, sex, age, ancestry, marital or parental status, disability, religion, national origin or sexual orientation/gender identity. Complaints are to be made to:
