

# WELCOME

---

We are glad you have chosen to attend Washburn Institute of Technology. This catalog provides lots of important information, including descriptions and requirements for the 30+ technical certificates and Associate of Applied Science degrees offered on our campus. In addition, our admission, enrollment, and graduation processes are explained to help you navigate your path to success. We are ready and eager to help you meet your goals!

In 2015, Washburn University celebrated 150 years committed to our vision and mission as a student-centered, teaching-focused institution. At Washburn Institute of Technology, we are proud of our outstanding teachers and staff who will support you as you prepare for your career and perhaps continue to complete your baccalaureate and advanced degrees.

This is an exciting journey, so make sure you are familiar with the important deadlines listed in this catalog. We recognize that “life happens along the way” when one starts a long-term goal, so I encourage you to seek help, take part in all that Washburn has to offer, and enjoy the journey. Best wishes for a successful year!

JuliAnn Mazachek, Ph.D.  
President

\*\*\*\*\*

There has never been a more exciting time for you to be part of Washburn Institute of Technology. With more than 30+ technical certificates and Associate of Applied Science (AAS) degrees; Adult Basic Education (ESL/ GED)” and non-credit customized training we have a pathway toward your career aspirations.

The faculty and staff are industry experts and are dedicated to the multifaceted mission of delivering the highest quality in career and technical education, with a strategic approach emphasizing innovation, student success, and business and community collaboration.

Our unique affiliation with Washburn University allows for seamless transition to advanced degrees and creates a rich environment for our students. As a Washburn student you have access to student organizations, pre-professional clubs, dining services, health and counseling services, membership to the Student Recreation & Wellness Center, and so much more.

Washburn Tech is here to assist you in furthering your education whether you are still in high school or already in the workforce looking to expand your skill sets, and I hope you will take full advantage of all that this remarkable college has to offer.

Scott Smathers  
Dean, Washburn Institute of Technology
